

Main Features

- Uncompromising pure stereo sound, even though it's an all-in-one unit
- Attachment of the separately sold grill allows to fit in your interior
- Straightforward operation with the rotary controller
- Music streaming services via Chromecast built-in (Spotify, Melon, AWA, TIDAL, DEEZER, Tuneln, etc)
- Playback of 5.6MHz DSD and 192kHz WAV/FLAC high-resolution audio sources from Wi-Fi (wireless LAN), wired LAN and USB flash drives (mass storage)
- TEAC HR AirCast (iOS/Android app for free) Easy playback of high-resolution audio sources (up to 5.6MHz DSD, 192kHz PCM) from the operating device wireless communication
- Bluetooth® connection function supports AAC and SBC codecs
- Large-diameter aluminum machined volume controller
- OLED display (specify information on volume, sampling rate (fs), etc.)

General Specifications (EUR ver.)

- Max Output Power: 38W+38W (6ohms, 1kHz, THD 10%)
- Rated Output Power: 31W+31W (6ohms, 1kHz, THD 0.07%)
- USB: Supported audio formats: DSD 5.6MHz (DSF, DSDIFF), PCM 44.1k - 192kHz/32bit (FLAC, ALAC, WAV, AIFF, MP3, AAC)
- Bluetooth® Version: Version 4.1, Class1
- Bluetooth® Codec: AAC, SBC
- Analog Audio Input: x1 (RCA Pin)
- Digital Audio Input: Optical: x1 (TOS Link)
- Network: 100BASE-T
- Operation Power: AC 230V 50Hz (EUR version)
- Dimensions (W x H x D): 590 x 221 x 235 mm
- Weight: T.B.A
