

## Noise isolating Aerophonic™ in-ear headphone

- A** The headphone housing is built from aluminium for strength and longevity.
- B** The MA390's housings use RHA's signature noise isolating Aerophonic housing design.
- C** RHA's refined 130.8 dynamic driver is configured for audio with power and depth.
- D** The remote and mic are compatible with most phones for track, call and digital assistant control.
- E** Wide ear tip selection, carry pouch and clothing clip included.
- F** The MA390 is protected by a three year manufacturer's warranty.

### Sound signature
