HD WIRELESS SOUND FOR YOUR HDTV

FEATURES

- Bluetooth headphone system for TVs includes Connect Bluetooth Audio Transmitter and Matrix3 Wireless HD Headphones, paired and ready for use right out of the box.
- Qualcomm aptX Low Latency technology eliminates lip-synching issues

CONNECT

- Enables TVs to stream clear, distortion-free HD sound wirelessly to up to two Bluetooth headphones or speakers
- Analog and digital inputs for universal compatibility with TVs and other devices – supports connection via 3.5mm headphone
- Compact and portable design with built-in batteries for use on the go

MATRIX 3

- High-resolution 40mm drivers deliver clear speech and dynamic bass
- Over-the-ear design with ultra-soft earpads for all-day comfort
- Can also be used with phones, tablets, and other Bluetooth devices
- Built-in microphone and remote for headset functionality
