

ANGLED ALCANTARA EAR PADS

Compatible with:

- Elite
- Empyrean

Material:

- Alcantara

Dimensions:

- 125 mm height x 95 mm width x 25 mm to 33 mm depth ± 1 mm
- Inner dimensions: 80 mm height x 52 mm width ± 1 mm

Description:

- Made of a soft memory foam core and covered in Alcantara with a delicate protective mesh on the grill
- Anthropometric ear pad design
- Innovative use of the drivers magnetic field to fix the ear cups in place
- Creates more space inside the ear pad which translates to an airier sound, with cleaner bass and improved presence in the mid-range frequency.
