BRAINWAVE⁰³

Because better sound starts with better silence, these Brainwave⁰³ earbuds combine state-of-the-art noise cancelling technology and dual microphones with sophisticated EQ functionality. The result is that high and low ranges have never sounded so pure, as any disturbing noise is nicely filtered out. Switching between your playlist and a phone call is intuitive, thanks to touch control. These Brainwave earbuds are comfortable and stable and they are water resistant. To make sure they fit every ear, we include different ear tips.

These earbuds give you up to 4 hours of autonomy and the stylish case is also your charger: good for up to 12 hours of wireless enjoyment!

Thanks to active noise cancelling, you can organise your workspace wherever you want.
