

Dimensions H290 × W175 × D215mm

Nominal impedance 6 Ohm (min 4.2 Ohm)

Design 2-way tuned bass reflex

Woofer 15cm treated natural fibre cone, 30mm 4-layer voice coil, long-throw motor

Tweeter 26mm silk dome, neodymium motor, aluminium heatsink

Frequency response 50Hz - 20KHz +/- 3dB (Anechoic Conditions)

Sensitivity 86dB/W/m

Crossover frequency 2.2kHz

Recommended amplifier 25-100W

Connections 4mm gold plated banana plugs, stripped cable or spade terminals

Grille removable magnetic type

Weight 5.0kg each

Cabinet braced and critically damped MDF carcass

Finishes Fused walnut, Satin charcoal lacquer

Placement stand or bookshelf

Shipping carton contains 2 x Sabre-R speakers, optional elastomer feet, quick start guide

Shipping carton dimensions H410 x L480 x W320mm

Gross weight 13.7kg
